WINE // FIZZ

We believe in promoting 'real' wines: those that are expressive of their homeland; wines made by hand with minimal chemical intervention; and above all, wines of character.

We champion small, independent wine makers, the hardy souls who put their love and life's work into the bottle to deliver a unique and inspiring wine.

WINE // FIZZ

We believe good wine should come at a good price, meaning we have priced the menu so that we make no more on a £30 bottle than we do on a £60 bottle. Conclusion: the more expensive the wine- the better value for money you actually get!
